## Introducing the **Beam**

The new beam option can replace the conventional modesty panel when privacy is not an issue. Designed, primarily for 'against the wall' applications, the receptive clearance beam allows easy access to electrical outlets, phone jacks and data ports. Perfect when you need it.

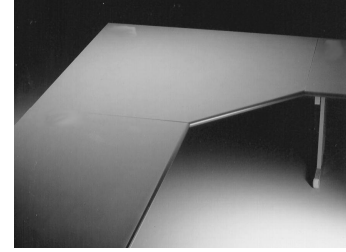

Basic Worksurfaces

IFT p. 4

Adjustable Keyboard Pad Worksurfaces

IFD p. 6

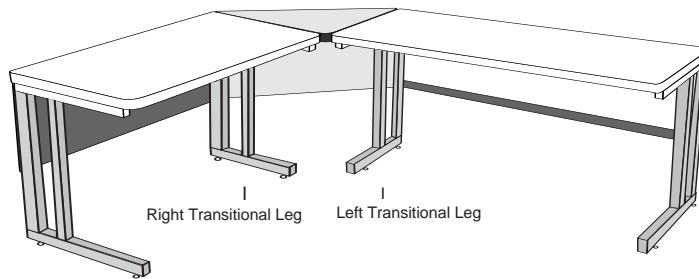

Corner Worksurfaces

IFC p. 8

**Features**

Solid core top	•	•	•
Plastic laminate surface	•	•	•
Flat vinyl T-edge	•	•	•
Seam-welded tubular steel frame	•	•	•
Chrome plated glides	•	•	•
Enamel legs	•	•	•
PVC Edge	•	•	•

**Transitional Leg**

Transitional leg bases are 6 inches shorter than standard leg bases for greater leg room and chair clearance when two surfaces are joined. When seated at the worksurface, "right" or "left" refers to the individual worksurface, not the assembled workstation. Cannot be ordered for an individual, free-standing worksurface.

**SPECIFICATIONS**

**Worksurface Frames**

Heavy-gauge seam-welded enamel finished tubular steel. Horizontal table top support tube, 16-ga., 1" x 1" steel. Floor support member, 16-ga., 1" x 2" steel tube. Top floor support tubes are welded with 16-ga., 1" x 2", 1" x 1" vertical leg members. 20-ga. steel modesty panel. Adjustable chrome-plated glides.

**Worksurface Top**

1 1/8" thick consisting of high-density particleboard, .050" high-pressure plastic laminate top surface with .045" phenolic backing sheet. Available with flat-vinyl T-edge (BN) and PVC Edge (3L).

**Splice Plates**

Die-formed steel splice plates attach to underside of units with screws. Standard connector plate provided when surfaces are of common height. Step connector plate provided for connecting 29" to 27" surfaces.

**Adjustable Keyboard Pad Worksurface**

Die-formed L-brackets attach to table and keyboard pad with screws. Threaded hand knobs lock keyboard pad in position. Available with flat vinyl T-edge.

**Wire Management**

2" x 2" openings are provided for all worksurfaces. On basic adjustable keyboard worksurfaces and rectangular transitional surfaces. The triangular transitional does not have a wire management grommet.

**Wireway**

Wireway trough connects to existing openings at top of modesty panels and is constructed of 18 gauge steel with 1" deep by 1 1/2" high opening for cables.

**Standard Grommet**

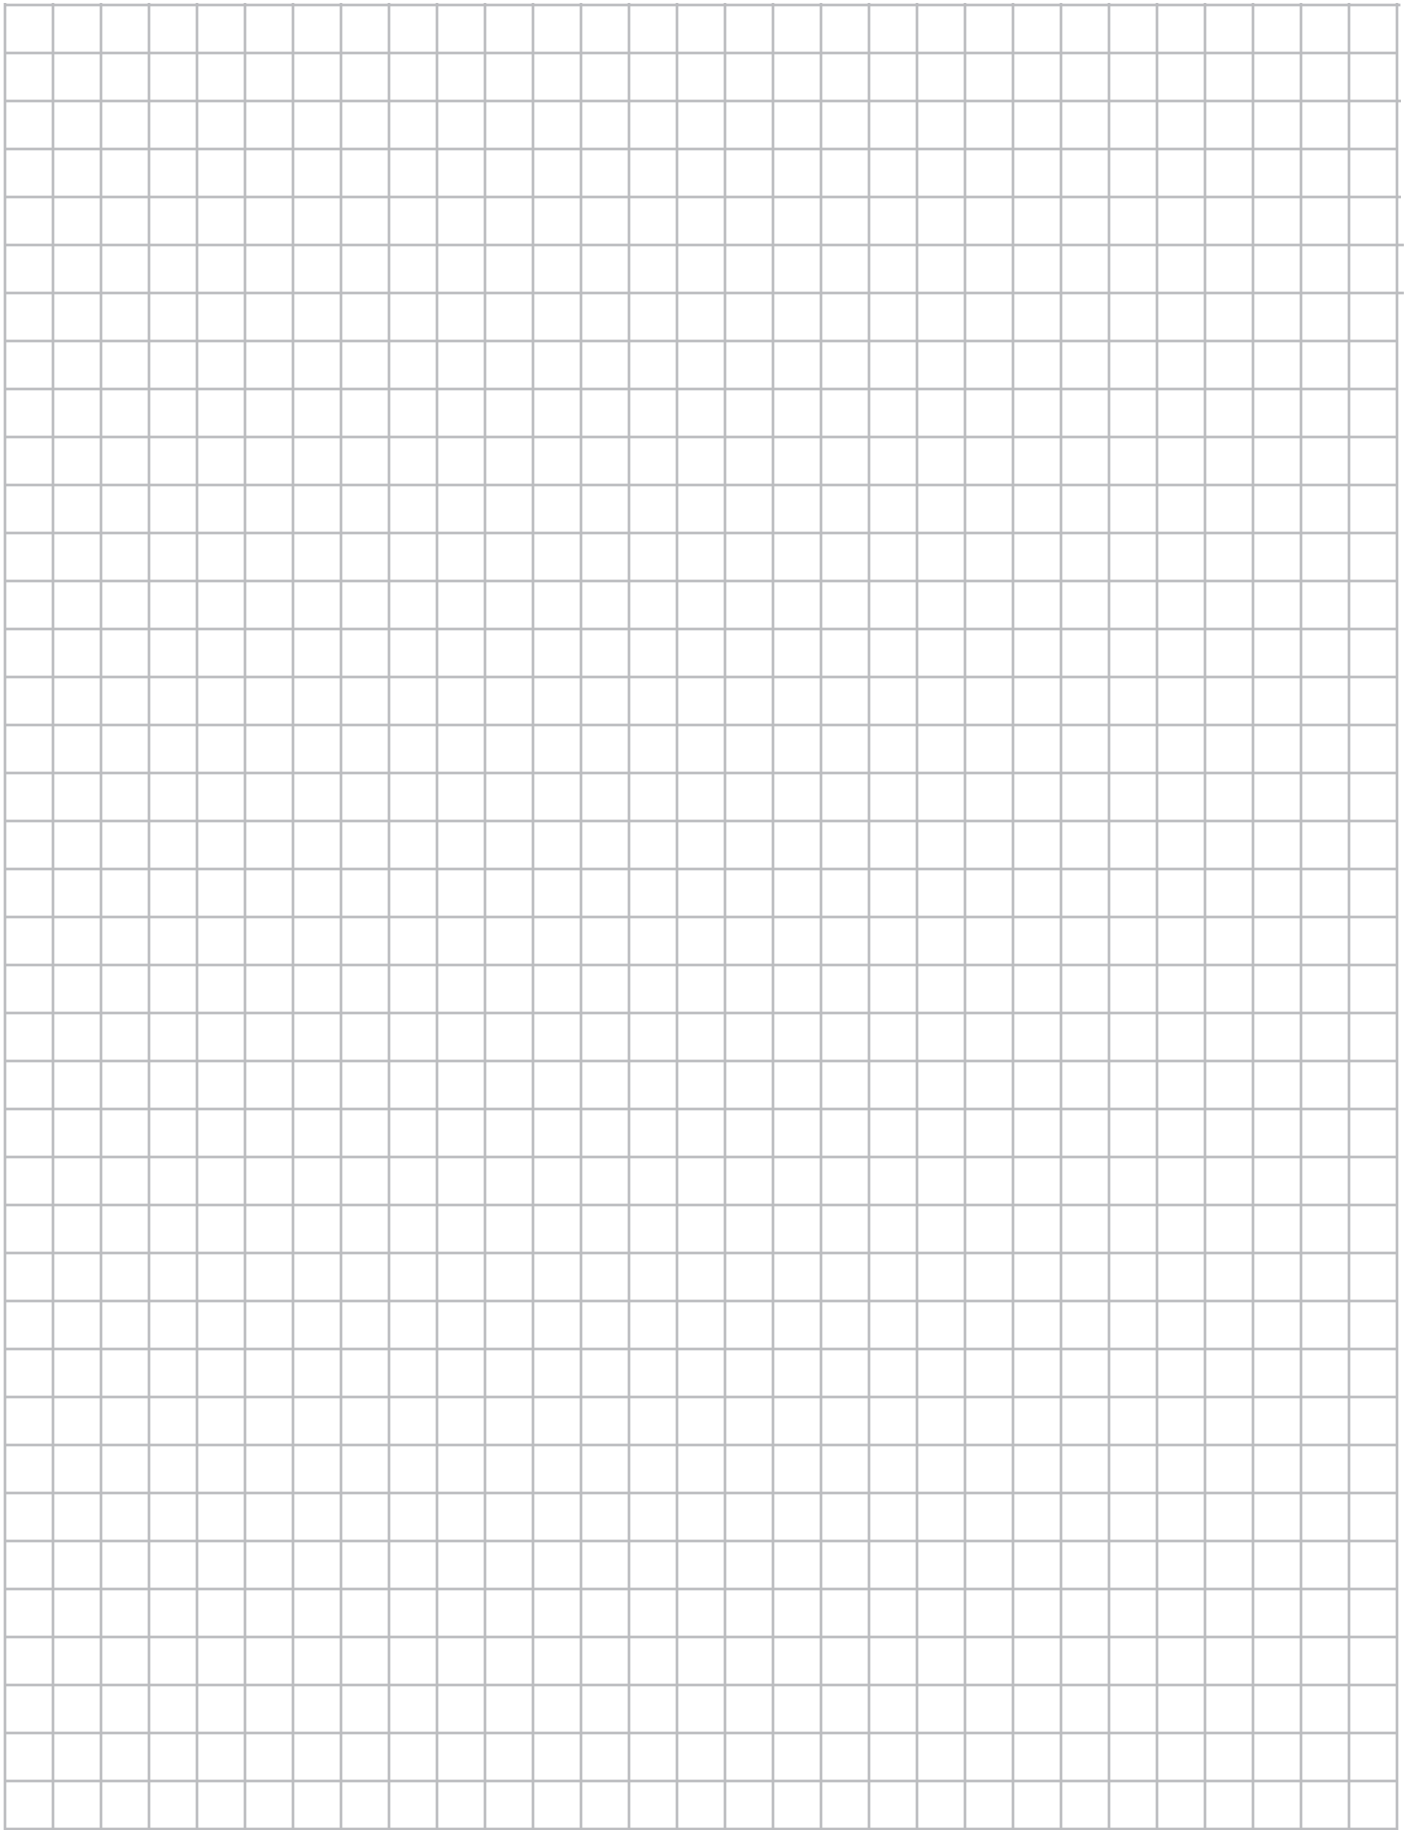

Workstations 42" and below will come standard with a center grommet. Workstations 48" and above will come with both left and right grommets.

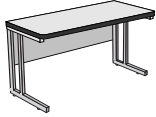

**INFORMATION**

**Warranty**

See "Terms and Conditions" for general information.

Structural Integrity . . . . . 10 years  
 High wear parts such as fabrics, other coverings material/finishes, glides, slides and user adjustable work surface mechanisms . . . . 1 year  
 Electrical Products . . . . . 10 years

**MODEL**

**Basic Worksurface**

- 1 1/4" solid core top with high-pressure laminate surface
- Flat vinyl T-edge, PVC Edge
- Enamel finish on legs
- Each leg is a welded unit joined by a modesty panel.
- Legs are located 1 1/2" from worksurface edge.
- Heavy-gauge seam-welded tubular steel frame
- 2" x 2" wire management port provided for all tables on both sides, at top of modesty panels
- Adjustable chrome-plated glides
- Standard outside wireway connects to existing openings at top of modesty panels with metal channel for wire management
- Standard grommets
- Optional transitional legs (6" shortened leg base)
- Modesty panels are 19" high and is located 1 1/2" from backside of worksurface.
- Optional beam construction

			A	B	C	D	E	F	G	H	I	J	K

The selection of accessories will add dollar value to the workstation net price listed above. See "HOW TO BUILD A MODEL NUMBER" for prices for grommets, pencil drawers and hang-on files.

Take care that your accessories 'fit' on your workstation. See ACCESSORY SIZING INSTRUCTIONS below.

\* A 30" and 36" wide worksurfaces will accommodate a pencil drawer or a hang-on file only. On a 30" worksurface that will leave little to no knee space.

**HOW TO ORDER**

Indicate the following information on order form:

1. Quantity of each item.
2. Model number, including options. See "How to Build a Model Number."
3. Any special service required.

- Note:
- The  indicates that a choice is required.
  - The absence of  indicates that no choice is required.
  - Alpha-numeric characters in place of  indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

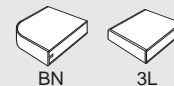

- A Select size of worksurface.  
 B Select height.  
 T = 27" Typing  
 D = 29" Desk  
 A = 32" ADA  
 C Indicate location and type of leg.\*  
 S = Standard (both standard legs)  
 R = Right (right transitional leg)  
 L = Left (left transitional leg)  
 B = Both (both transitional legs)

\*NOTE: If ordering Worksurface as a freestanding unit, or if one side connects to a transitional worksurface, the "B" option for both transitional legs is not available

- D Select Modesty panel or beam construction.  
 M = Modesty Panel  
 B = Beam  
 E Select frame color for painted surfaces.  
 BL = Black  
 SA = Sand  
 WG = Warm Grey  
 GR = Grey  
 LG = Light Tone  
 F Select laminate surface.  
 SP = Standard Laminate  
 CP = Customer Specified Laminate

NOTE: Many other laminates are available without an upcharge. Ask your BSI sales representative for samples.

- G Select edge style  
 BN = Flat Vinyl T-edge  
 3L = PVC Edge

- H Select edge color.  
 BL = Black  
 SA = Sand  
 WG = Warm Grey  
 GR = Grey  
 LG = Light Tone  
 SM = Same as Laminate

- I Grommet selection.  
 B = Left and right grommets  
 C = Center grommet

NOTE: Grommets do NOT interfere with the installation of other accessories.

 4 swivel casters (60mm diameter), 2 with locks.  
 Add 2" to top surface height. Add 2# to weight.

Order separately, specify IF-LC  
 List Price                      \$18.00/set

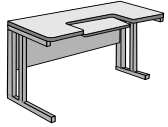

**SPECIAL SERVICES**

**List Prices**

For dock delivery add 5%.  
 For installation add an additional 8%.

**ACCESSORY SIZING INSTRUCTIONS:**

- The actual available space for placing accessories is 8 inches less than the width of the worksurface. Example: A 60" surface has 52" of available under worksurface space.
- A pencil drawer requires 18" of available space.
- A hang-on file requires 16" of available space.
- A centered mounted pencil drawer will split the remaining available space in half.
- **All of these calculations are done for you on our Web site.**
- For additional assistance please contact your sales representative.

**Adjustable Keyboard Pad Worksurface**

- 1 1/4" solid core top with high-pressure laminate surface
- Adjustable keyboard pad right, centered (shown) or left 10" x 24"; 3" height adjustments; 15° maximum downward tilt
- Flat Vinyl T-Edge and PVC Edge
- Enamel finish on legs
- Each leg is a welded unit joined by a modesty panel. Legs are located 11/2" from worksurface edge.
- Heavy-gauge seam-welded tubular steel frame
- 2" x 2" wire management port provided for all tables on both sides, at top of modesty panels
- Adjustable chrome-plated glides
- Standard outside wireway connects to existing openings at top of modesty panels with metal channel for wire management
- Standard grommets
- Optional transitional legs (6" shortened leg base)
- Modesty panels are 19" high and is located 11/2" from backside of worksurface.
- Optional beam construction
- Keyboard is located 5 3/4" from edge of worksurface on left and right locations

**HOW TO ORDER**

- Indicate the following information on order form:
- Quantity of each item.
  - Model number, including options. See "How to Build a Model Number."
  - Any special service required.

- Note:
- The □ indicates that a choice is required.
  - The absence of □ indicates that no choice is required.
  - Alpha-numeric characters in place of □ indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

- A** Select size of worksurface.
- B** Select height.
- D = 29" Desk
- T = 27" Typing
- A = 32" ADA
- C** Indicate location and type of leg.\*
- S = Standard (both standard legs)
- R = Right (right transitional leg)
- L = Left (left transitional leg)
- B = Both (both transitional legs)
- D** Select Modesty panel or beam construction.
- M = Modesty Panel
- B = Beam

- E** Select frame color for painted surfaces.
- BL = Black
- SA = Sand
- WG = Warm Grey
- GR = Grey
- LG = Light Tone
- F** Select laminate surface.
- SP = Standard Laminate
- CP = Customer Specified Laminate

- G** Select edge style
- BN = Flat Vinyl T-Edge
- 3L = PVC Edge
- 
- H** Select edge color.
- BL = Black
- SA = Sand
- WG = Warm Grey
- GR = Grey
- LG = Light Tone
- SM = Same as Laminate
- I** Grommet selection.
- N = No grommet
- S = Standard grommet

NOTE: Many other laminates are available without an upcharge. Laminate swatches are available online or by request.

\*NOTE: If ordering Worksurface as a freestanding unit, or if one side connects to a transitional worksurface, the "B" option for both transitional legs is not available

For dock delivery add 5%.  
For installation add an additional 8%.

**ACCESSORY SIZING INSTRUCTIONS:**

- The actual available space for placing accessories is 8 inches less than the width of the worksurface. Example: A 60" surface has 52" of available under worksurface space.
- A pencil drawer requires 18" of available space.
- A hang-on file requires 16" of available space.
- A centered mounted pencil drawer will split the remaining available space in half.
- **All of these calculations are done for you on our Web site.**
- For additional assistance please contact your sales representative.

(Right shown)

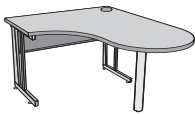

**MODEL**

- "P" Shaped Peninsula Worksurface**
- 1 1/4" solid particleboard with .050" laminate
  - Flat Vinyl T-Edge or PVC Edge
  - Concealed vertical wire management
  - Include modesty panel with 2" x 2" wire management port at top of modesty panel on 48" side
  - Modesty panel is 19" and is located 11 1/2" from backside of worksurface
  - Optional beam construction
  - Heavy-gauge seam-welded tubular steel frame
  - outside wireway connects to existing openings at top of modesty panel with metal channel for wire management on 48" side
  - Long surface is supported by 3" diameter metal support leg with adjustable glide
  - Enamel finish on legs
  - Connects to either 24" or 30" worksurface
  - Adjustable chrome plated glides
  - Optional transitional legs (6" shortened leg base)
  - Standard corner grommet
  - Width of end matches the depth of worksurface

The selection of accessories will add dollar value to the workstation net price listed above. See "HOW TO BUILD A MODEL NUMBER" for prices for grommets.

**HOW TO ORDER**

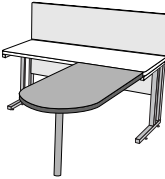

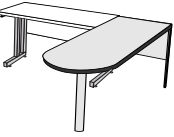

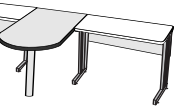

- Indicate the following information on order form:
1. Quantity of each item.
  2. Model number, including options. See "How to Build a Model Number."
  3. Any special service required.

- Note:
- The  indicates that a choice is required.
  - The absence of  indicates that no choice is required.
  - Alpha-numeric characters in place of  indicate that no other alternatives are available.

**HOW TO BUILD A MODEL NUMBER**

<p><b>A</b> Select size of worksurface.</p> <p><b>B</b> Select height. A | B | C | D | E | F | G

All corner transitional surfaces connected at the same height do not require right (R) or left (L) transition direction. Use "X" for transition direction. Transition height required for "DT" transitional.

HOW TO ORDER

- Indicate the following information on order form:
- Quantity of each item.
  - Model number, including options. See "How to Build a Model Number."
  - Any special service required.

Note:

- The  indicates that a choice is required.
- The absence of  indicates that no choice is required.
- Alpha-numeric characters in place of  indicate that no other alternatives are available.

HOW TO BUILD A MODEL NUMBER

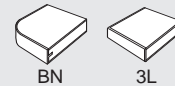

- A Select size of transitional worksurface.  
 B Select transition height.  
 DD = 29" to 29"  
 DT = 29" to 27"  
 TT = 27" to 27"  
 AA = 32" to 32"  
 C Select transition direction.\*  
 L = Left  
 R = Right  
 X = None

\*Transition direction is determined from the originating 24" or 30" basic or keyboard pad worksurface.

- D Select frame color for painted surfaces.  
 BL = Black  
 SA = Sand  
 WG = Warm Grey  
 GR = Grey  
 LG = Light Tone  
 E Select laminate surface.  
 SP = Standard Laminate  
 CP = Customer Specified Laminate

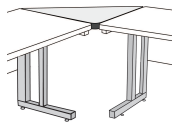

NOTE: Many other laminates are available without an upcharge. Laminate swatches are available online or by request.

- F Select edge style.  
 BN = Flat Vinyl T-Edge  
 3L = PVC Edge

- G Select edge color.  
 BL = Black  
 SA = Sand  
 WG = Warm Grey  
 GR = Grey  
 LG = Light Tone  
 SM = Same as Laminate

**MODEL**

**Triangular Transition Top**

- Available with T-molding or
- Connects basic and drop keyboard workstations
